

ELECTRIC PRODUCTS LIMITED WARRANTY

Products covered by this warranty are warranted against defects in workmanship and materials for one year from date of sale. This warranty does not apply to damage from accident, misuse or alteration; nor where the connected voltage is more than 5% above the nameplate voltage, nor to equipment improperly installed or wired or maintained to violation of the instruction sheet. This warranty is valid only in the fifty states of the United States. No other written or oral warranty applies. No employee, agent, dealer or other person is authorized to give any warranties on behalf of Sterling Commercial.

The customer shall be responsible for all costs incurred in the removal or reinstallation and shipping of the product for repairs. Within the limitations of this Warranty, inoperative units should be returned to the nearest Sterling factory, and we will repair or replace, at our option at no charge to you with return freight paid by Sterling. It is agreed that such a repair or replacement is the exclusive remedy available from Sterling and that Sterling IS NOT RESPONSIBLE FOR DAMAGES OF ANY KIND, INCLUDING INCIDENTAL AND CONSEQUENTIAL DAMAGE. Some states do not allow the exclusive or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Merchandise returned to the factory must be accompanied by a return authorization and service identification tag. When requesting authorization, include all catalog numbers shown on the product.
